- INTRODUCTION OF INDIAN KNOWLEDGE SYSTEM

WHAT IS INDIAN KNOWLEDGE SYSTEM?

INDIAN KNOWLEDGE SYSTEM(IKS) is an innovative cell under the Ministry of Education (MOE) at AICTE, New Delhi. It is established to promote interdisciplinary research on all aspects of IKS, preserve and disseminate IKS for further research and societal applications. IT will actively engage for spreading the rich heritage of our country and traditional knowledge in the field of Arts and Literature, Agriculture, Basic Science, Engineering & Technology, Architecture, Management, Economics, etc.

ABOUT INDIAN KNOWLEDGE SYSTEM

The Indian traditional Knowledge Systems (Bhartiya Ganana Parampara) division of ministry of education (MoE) located at the headquarter of AICTE, Delhi, was established as of October 20 and taken to be a part of the New Education Policy (NEP) starting 2023. The team initially consisted of Shri A.B. Shukla was the Chief Coordinator, followed by the teachers Dr. Sanjeev Panchal, Shri Anurag Deshpande and Shri Shreyas Khurekar. more professors who joined this noble research.

WHY ARE WE STUDYING IKS?

The main objective of drawing from our past and integrating the Indian Knowledge Systems is to learn that our ancient systems of knowledge represented by an unbroken tradition of knowledge mission and providing a unique perspective (Bhartiya Drishti) is used to solve the current merging challenges of India and the world.
